

# Layaway Plan and Terms

- After a doll has been for sale for a few weeks, it is considered for a Layaway Plan.
- Layaway Terms will be listed in weeks (Example: 2 - 8 weeks)
- After you click “Layaway Pay now” and complete, you have made first payment (wk 1).
- Immediately after your first payment please contact me. (I want to be sure your doll is marked sold.)
- Your payment invoice will repeat weekly for the set amount of weeks.
- If you miss any payments it is important that you pay all remaining payment by end of term.
- After your last payment is processed (may take 2-3 days) your doll will be shipped.
- I will notify you when doll is shipped and give you a tracking number.
- No Refunds. Doll will not be shipped until final payment.

Week 1 = pay \$80

Week 2 = pay \$80

Week 3 = missed payment

Week 4 = pay \$80 + \$80
